

Love shopping? Apply now!

We are an 'innovative employer with a great team'. At least, that's what current and former employees say about us on review portals. We would just add that we are a hidden champion. A family business with its roots in the Eifel region, we distribute worldwide and provide our customers with innovative solutions that sustainably improve animal welfare. Our multinational team of experts works from our headquarters in Niederzissen as well as various locations around the world. Together, we are committed to making animal nutrition healthier, more successful and more sustainable. In order to meet the current challenges of digitisation, we are searching for a team member in

Purchasing (m/f/d)

You enjoy:

- > Implementing procurement strategies
- > Purchasing, both national and international
- > Acquiring and auditing local and foreign suppliers
- > Managing contracts and processes
- > Continuously developing processes as well as maintaining and optimising systems
- > Identifying ways to cut back on expenses

You have:

- > A degree in business administration or engineering management, or a comparable qualification
- > Relevant professional experience in purchasing, ideally in the area of animal feed, food or basic agricultural chemicals
- > Preferably, familiarity with contract law as well as knowledge of animal feed legislation and quality standards such as GMP+, FAMI-QS and QA
- > Smart negotiation skills and persuasiveness
- > Fluency in German and English (C1)
- > Good MS Office and, preferably, MS Dynamics NAV skills
- > The willingness to travel within Europe

You can expect:

- > A varied working day and lots of flexibility in a secure industry
- > Remuneration based on performance and a beautiful workplace in the countryside
- > A flat organisational structure in a value-driven family business that has been named 'Top Arbeitgeber im Mittelstand' (Top 'Mittelstand' Employer) by FOCUS magazine
- > The best team in the world
