

Sales talent? Apply now

We are an innovative employer with a great team. At least, that's what current and former employees say about us on review portals. We would just add that we are a hidden champion. A family business located between Bonn and Koblenz, we provide our customers worldwide with innovative solutions that sustainably improve animal welfare. Our multinational team of experts works from our headquarters in Niederzissen as well as various locations around the world. Together, we are committed to making animal nutrition healthier, more successful and more sustainable. In order to continue on our path of healthy growth we are looking for you as

Area Sales Manager Phytogenics for Benelux (m/f/d)

You enjoy:

- > Selling our highly innovative phytogenics portfolio in Belgium, Netherlands, Luxembourg
- > Acquiring new customers and partners, and maintaining existing relations (CRM)
- > Planning and conducting customer events and sales promotions
- > Analysing markets and working on reports and forecasts
- > Being in close contact with our customers and travel within the Benelux region most of the time (80%)

You have:

- > A master's degree in agricultural science or a comparable degree specialising in animal nutrition
- > Experience in sales, ideally in phytogenics, preferably in the feed (additive) industry
- > Great negotiating skills and an inspiring personality
- > Advanced MS Office skills
- > Fluency in Dutch and English

You can expect:

- > A varied working day and lots of flexibility in a secure industry
- > Remuneration based on performance
- > A flat organisational structure in a value-driven family business that has been named 'Top Arbeitgeber im Mittelstand' (Top 'Mittelstand' Employer) by FOCUS magazine
- > The best team in the world
