

Multitasker? Apply now

We are an innovative employer with a great team. At least, that's what current and former employees say about us on review portals. We would just add that we are a hidden champion. A family business with its roots in the Eifel region, we provide our customers worldwide with innovative solutions that sustainably improve animal welfare. Our multinational team of experts works from our headquarters in Niederzissen as well as various locations around the world. Together, we are committed to making animal nutrition healthier, more successful and more sustainable. In order to continue on our path of healthy growth without losing sight of our objectives, we are looking for a

Supply Chain Manager (m/f/d)

You enjoy:

- > Responsibility for managing a department and for staff development in customer support, purchasing and warehousing
- > Monitoring stock and ensuring optimal stock availability
- > Negotiating supplier and framework agreements
- > Strategic and budget planning
- > Budget and liquidity control
- > Continuously optimising processes in terms of quality and efficiency

You have:

- > A degree in business administration, industrial engineering or a comparable programme
- > Several years of professional experience in purchasing and supply chain management, ideally in animal feed or agrochemicals
- > Knowledge of contract and animal feed legislation, as well as of quality management requirements (GMP+, FAMI-QS, QA)
- > Experience in project and employee management
- > Fluency in German and English
- > Good MS Office and, preferably, MS Dynamics NAV skills

You can expect:

- > A varied working day and lots of flexibility in a secure industry
- > Remuneration based on performance and a beautiful workplace surrounded by nature
- > Trust-based working time and various remote working models
- > Diverse, individual training and personal development opportunities
- > A flat organisational structure in a value-driven family business that has been named 'Top Arbeitgeber im Mittelstand' (Top 'Mittelstand' Employer) by FOCUS magazine
- > The best team in the world
